### Reflection On Today's Message

If You have accepted Jesus In Your Life and experienced His **REAL PRESENCE** as you live, would you **NOT CARE** to Tell about what He had done and is doing in Your Life to other people too?

Let's end with this Prayer: Lord, help me to share to others about **YOU** and everything that you have been doing in me so that they too may **COME** to have **REST** in their life and share the Beauty, Goodness and Happiness in Life that everyone seeks, but which can be found only in **YOU**. Amen

### THEIR SACRIFICIAL & TRUE LOVE TOUCHED MY HEART

Blessings to our Lord God who love us with His everlasting love and His love endures forever. He set the time and the space where we will dwell. As the one of the founding members of COSK, I'm so privileged to witness the vision that God had shown to COSK. From the rooftop of the apartment of Bro Steven Lim right up to this day, Our God is very merciful, full of compassion and grace to us. Only in COSK, I underwent many first time experiences like retreat to JB, before our first worship in COSK, LG assistant leader, interpretation, children ministry, opening of my Home for LG fellowship and even the upcoming Sabah mission trip.

Thanking You my Lord for all unmerited favor surrounding me like that of a sword, enabling me to serve Him. Praise the Lord also for His love and compassion towards my elderly mother in law. Since her baptism on 12th April 2009, our beloved senior pastor and saints of COSK set aside their precious every last Sunday afternoon to visit her in Renci nursing home. Their sincere sacrificial and true love touches my heart. Their visitation not only brings joy and comfort to my mother in law but also some other ageing residents there too. All these goodness given by the Lord is beyond my asking and thinking. All glory, honor, majesty, power, authority belongs to God. Surely His goodness and love will pursue COSK and all the saints, for all the days of their lives.

From Grace to Glory, Sis Pauline Ang

## My Testimony

### I've Seen The LOVE of God Seen Through the Brethren From COSK!

In the past, I was not a religious person and I only started feeling the urge to know the Lord after I met my girlfriend. My curiosity to know the crucified man whose open hands were nailed on the cross for me was sparked off from then on. It remained as my curiosity until I started to work for my company in this year's April. I accepted Sister Lay Sim and Jesslyn's invitation to COSK to learn more about Christ and I am glad I found the Lord through COSK.

I am thankful to Brother Bennett and Sister Jesslyn for going the extra mile to pick me up at Kranji station almost every Sunday morning to COSK and then giving me a lift back. The precious Bible that I always carry with me now is a gift from them. They made my journey to worship the Lord easy and enjoyable.

Through Sister Lay Sim's recommendation, I know my mentors Pastor David & Brother Ricky. They play important roles in the maturing of my Christian life and assisting me in comprehending the words of God. Pastor David is always there to send his morning devotional studies smses almost daily without fail. Sister Lay Sim is always willing to 'squeeze' out time to answer any doubts that I have. And Brother Ricky is always at COSK every Sunday teaching me after service through his humorous and crystal clear ways of explanation. In the Chinese way of saying, it is 'one needle see blood' literally and I would be 'bleeding profusely' after his lessons. They helped to increase my faith and induced in me an even greater thirst to know my Lord. Really thankful to the people of God for making it all happen.

I prayed to the Lord, asking for his divine help to assist me in believing in his existence in my life. I also prayed for my girlfriend's well-being and that I can be with her more often. Initially, it will take another 2 to 3 years before my girlfriend will come Singapore and find a job. But now through God's grace and his miraculous ways, she has decided to come here in November. God has given me more than '50% discount' on the waiting time. Praise the Lord!

Two weeks ago, I believed it was God's plan that I was able to have long and fulfilling conversation with Pastor Wang. Pastor Wang shared with me how he came to know Christ and I was deeply inspired and impressed by God's ways of working in people's life. This reminded me how great our God is. I pray that our Lord will bless COSK so that even more others like me can be blessed and know Christ.

## United In Prayer With Our Voice Saturday From 2.30pm to 4.00pm

*"...my house will become the house of prayer for all people"  
Mark 11:17*

We are a Holy Spirit led ministry of believers who would dare to win God's way. We believe that every Christian is **called and commanded** to pray and that prayer must be at the heart of all that we do, therefore we will bring emphasis to prayer, both individually and as the body of Christ.

Church of Sengkang Prayer Ministry believes the Bible is the inspired Word of God and that in it are truths on which to build an effective prayer life. Therefore, we desire to inspire people to prayer, encourage deepening prayer life, and to offer sound Scriptural training in prayer.

If we are not a praying Church, then we are not a Church at all. **James 5:16b** states that the earnest prayer of a righteous person has great power and wonderful results. If we truly want to honor our Lord and Savior, we must be a praying Church.

### Join us for "A Call to Prayer" on every Saturday from 2:30 pm to 4:00 pm. @ the chapel.
