Enhancing Relationship **TRUST**

TRUST is a very important factor for all Relationships. When TRUST is broken, it is the end of RELATIONSHIP. Lack of TRUST leads to SUSPICION. Suspicion generates ANGER. Anger causes ENMITY (unfriendliness) and enmity may result in SEPARATION.

This intrinsic value TRUST can be learned. Just imagine “a female telephone operator answering a phone call with a courtesy address “Public Utilities Board.” There was a moment of silence. She repeated ‘PUB’. There was still no answer. When she was going to cut off the line, she heard a lady’s voice. “Oh, so this is PUB. Sorry, I got the number from my husband’s pocket, but I do not know whose number it is?” Without Mutual TRUST, just imagine what will happen to the couple if the telephone operator answered with just ‘hello’ instead of “PUB”.

What Makes A Healthy & Trusting Relationship ?

1. Right Speech

There is a chinese saying which carries the meaning that “A Speech will either Prosper or Ruin a nation”. Many relationships are Broken because of wrong speech.

2. No Overpowering

Healthy Relationship can fail because one party trying to overpower another, or demands too much. Another famous chinese saying which carries the meaning that “it is easier to reshape the mountain or a river than a person’s character”. It isn’t easy to change. Beloved, bear with me for God has not finish with me yet.

3. Personal Perception

Different people have different perceptions. One man’s meat could be another man’s poison. A parable of a couple in their treatment of the donkey has an excellent moral for us to learn. We can never have everyone praise us nor will everyone condemn us. It doesn’t really matter what words are spoken over or against us as long as our CONSCIENCE Is CLEAR. the concluding part of this “Enhancing RELATIONAL TRUST” sharing be in next week’s Sunday Times.

Psalm 33: 1-5 says

Rejoice in the Lord, O you righteous! For praise from the upright is beautiful. Praise the Lord with harp; make melody to Him with an instrument of ten strings. Sing to Him a new song; play skilfully with a shout of joy. For the word of the Lord is right, and all His work is done in truth. He loves righteousness and justice; the earth is full of the goodness of the Lord.

Having experienced the Joy of Salvation and the Freedom from the bondage of sin, beloved God rescued us from this darkness world so we may be His Messengers of GOOD NEWS and His LIGHT of the perishing & hurting world. Won’t take a good look at your hands and response to our Lord this morning “Lord, Here I Am Send me to the nations!”
